

Come To My Senses

The eyes of a traitor

Can we all be civil
It took me long enough
To realize That it would take a miracle
Piss it all away I haven't slept
In fucking days
What a way burn out
Break out

Waste my time think of you
I denied it to my self
But I know it's true
It's true

The days are getting longer
And I can't help but wonder
After it's all said and done
Will I keep my
Thunder

Come to my senses
Give up all past tenses
Because If I stay in the past
I just won't last

Everything I feel leads to
Regret
And All I need is
A minute to reflect

The days are getting longer
And I can't help but wonder
After it's all said and done
Will I keep my
Thunder

Waste my time thinking of you
I denied it to my self
Come to my senses
Give up all past tenses
