

Paralyzed

The Fabulous Thunderbirds

When I see you walking down the street
I try to think of something to say
My eyes get to twitching and my knees are weak
Every time you look my way

I'm paralyzed, paralyzed I just can't move
My lips won't talk my feet won't walk
I feel like a doggone fool

Saw you at a party the other night
You tried to talk to me
Baby you looked so dynamite
The twisted tongue began to bite

I'm paralyzed, paralyzed at the sight of you
Baby I'd give up a lung, just to get next to you

I hear your name
I tremble inside
I can't function
I wanna run and hide

I'm paralyzed, paralyzed at the sight of you
I'll be a lucky fellow
If I ever get next to you

I hear your name
I tremble inside
I can't function
I wanna run and hide

I'm paralyzed, paralyzed at the sight of you
I'll be a lucky fellow
If I ever get next to you
