

The Crawl

The Fabulous Thunderbirds

East to west, north to south
Brand new dance people shoutin' about

It's called the crawl
Aw, the crawl
Cats on the corner, everybody's doin' the crawl

Well, Jimmie got Jean
Bobbie got Tommy
I got Shirley
Everybody's got a girl

It's called the crawl
Aw, the crawl
Cats on the corner, everybody's doin' the crawl

East to west, north to south
Brand new dance people shoutin' about

It's called the crawl
Aw, the crawl
Cats on the corner, everybody's doin' the crawl
