

Tuff Enuff

The Fabulous Thunderbirds

I would walk ten miles on my hands and knees
Ain't no doubt about it, baby, it's you I aim to please
I'd wrestle with a lion and a grizzly bear
It's my life, baby, but I don't care

Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough

For you, baby, I would swim the sea
Nothing I'd do for you that's too tough for me
I'd put out a burning building with a shovel and dirt
And not even worry about getting hurt

Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough

I would work twenty-four hours, seven days a week
Just so I can come home and kiss your cheek
I'll love you in the morning and I'll love you at noon
I'll love you in the night and take you to the moon

Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough

I'd lay in a pile of burning money that I've earned
And not even worry about getting burned
I'd climb the Empire State, fight Muhammad Ali
Just to have you, baby, close to me

Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
Ain't that tough enough
