

## Laces Out, Dan!

The Fall of Troy

Interrupt this call...  
Reasons seem to be incomprehensible,  
But it's not you or me  
This is what I see,  
Something here is wrong,  
Someone here is wrong!

(Wash your hands of me!  
I don't care anymore!  
You wanna play these games?  
I wanna wipe that smile  
off of your face!)

Whore

(Look at my eyes!!!)  
Do you think that I was joking?  
Are you really that unprepared!?  
Do you think that I am joking?
