

## Oh! The Casino!?

### The Fall of Troy

One more time, just enough to ease my mind.  
Everything's fine, when it's only you and I...  
And I cry because loss like this just don't make sense.  
I try, but I just can't grasp why...

Waste the whole night away.  
I don't know what to say.  
Disregard everything.  
Just can't feel anything.

Now it's you, I still can't believe it's true.  
Down here it's cold, when I let myself go.  
It's contrived, and inside I think I died, but I'll go on...  
You're always on my side.

Just to hear your voice speak one more word.  
Just to see you smile!!!

Waste the whole night away.  
I don't know what to say.  
Disregard everything.  
Just can't feel anything.
