

## A Past Gone Mad

The Fall

Serial killers were always a bore in my book,  
Along with Spangles and soccer books.  
Rid us of old fogeys  
Scuttling and swerving over the roads  
Comma,  
Kids in pubs.  
Passable

Why is Pete Gabriel always following us?  
And before the grub comes a moralist,  
Dissonance of infotainment

A past gone mad!  
Alive and well, he is on all channels  
Dwelling in craven environment

If I ever end up like Ian McShane slit my throat with a kitchen  
tool  
And if I ever end up like U2 slit my throat with a garden veget  
able

A past gone mad  
Passable

Take a look back  
Rear-view mirror: it's all behind you

A present gone mad  
Tra-tra-la, follow, track that lava  
Past, present gone mad.  
Passable  
A past gone mad.
