

## Copped It

The Fall

Said I ain't no millionaire  
But I spent more money than one ever seen  
I'm gonna change that scene one day  
It's what you're supposed to say  
Hey hey hey hey

Can't get far in land of immovable frogs  
Can't get far in home of horrible hoax  
And you don't last long on a diet of tea and toast

Hey hey hey  
And I'm singing the song cause I copped it baby  
I steal what I have

Fascist confessions bring detractors  
Keeping shtum  
Brings dough and attractions  
Costello, ideas trenchant borrows  
New song benefactor  
Is the past tomorrow

Sing, sing a song  
I'm singing the song cause I copped it baby

Don't last long  
There's guns behind you  
Aura of desperate boot licker  
And you can't hang on with a cuff of him and girl

I'm singing a song cause I copped it baby  
Taking out a policy for love and destruction  
Can't operate with this vexation  
Say it again, real real gone  
I know I've copped but I'm not the only one.

It ain't what you do it's the way that you do it
