All that is gone is shredded by the auto-man The glass ceiling it did shake and then it did undulate Don't take the pizza off me Slumber I told yer Don't take the pizza off me Birmingham nonsense from city there once was bronze QED each day QED is quid each day Don't take the pizza off me Don't take it... Your brain splits each day from information anxiety From me pinch I cringe You dopey randy acid clone Don't take the pizza off me Slash fat cats See vamp watch out Get rid of straight away Don't take the pizza off me Don't pick up mind track
