

I'm Going to Spain

The Fall

I've sold my car, thrown in my job, I'm 34 years old
I think it's time I saw the world, and not Australia
I've sold my car thrown in my job I'm 34 years old
I think it's time I saw the world coz I hate the cold and rain
and grey

I'm going to Spain
Cousin Norman had a real fine time last year
He said it doesn't rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language

And the factory floor presented me with some tapes of Elton John
I hope it might keep me company but I hate the goo- goo-goo-
goodbyes
Coz I'm going to Spain
Cousin Norman had a real fine time last year
I hear it doesn't rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language yeah

My mother cried last Friday night
When I said that I'll be gone
She packed it up, and then cashed in her premium bonds
And I'm going to Spain
Cousin Norman had a real fine time last year
They say it doesn't rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language

I'm going to Spain
I'm going to Spain

Better rate culture there boy
I'm going to Spain
Cousin Norman had a real fine time last year
They say it doesn't rain
I hope I can quickly learn the language-eh
