In These Times

A flat season - vision gone Picture frame it, and say so long; My Aqua-cat is where it's at and new to mammal range Buy you know it would never suit, territories Alpine

In These TIMES - Meeowww In These Times - Fishcat Mother In This Time - Spectral Filter In These Times - A Feline Nutter

In these times; A Man down South, he did go out and he did kill fifteen What the papers could not grasp or work out, was his life in a Flea brain;

In These Times - Universal Tepid In These Times - Stagnant Mind In This Time - And in these times These Times - They're both the same

Diluted Jesuits pour out of mutual walkmans From Elland Road to Venice Pensions and down the Autobahns;

In This Time - If That's it I'm leaving In These Times - Leave this planet fast In These Times - It affects my sleeping In This Time - My dreams are one to miss Ones to be avoiding In times like this

I often hope in days ahead my gossamer front gates, will keep out the trash in which my psychic streets' emershed;

In These Times - Spectral Filter In These Times - In Your Midst In These Times - This song's a belter In This Time - For times like this

In These Times - I picture framed pre-teen rap gangs, with alsatians, Scapa flow steel became inexpensive

A first season - vision gone Picture frame it - and say so long They say 'Give up Buster' - Cram it down But I grow stronger, and break their Midszzzzzzz

The Fall
