

## Industrial Estate

The Fall

Get off the Ind. Est.  
Get off the Ind. Est.

Yeah, Yeah, Industrial Estate  
Yeah, Yeah, Industrial Estate  
Yeah, Yeah, Industrial Estate

Well you started here to earn your pay  
Clean neck and ears on your first day  
Well we tap one another as you walk in the gate  
And we'd build a canteen but we haven't got much space

Yeah, Yeah, Industrial Estate  
And the crap in the air will fuck up your face  
Yeah, Yeah, Industrial Estate  
Boss can bloody take most of your wage  
And if you get a bit of depression  
Ask the doctor for some valium

Yeah, Yeah, Industrial Estate  
Yeah, Yeah, Industrial Estate  
Yeah, Yeah, Industrial Estate
