

Light / Fireworks

The Fall

Cold, cold, you can't control [computer voice: light up a
cigarette, cos it might be your last.] Fireworks,
darkness Cascading with fireworks. Fireworks, can't read
it Fireworks, can't fathom it Fireworks. Coming up to the
dawn here What are those burnt embers It's fireworks,
smouldering It's fireworks, cascading in the sky From 8
till 5 the morning, Fireworks Fear cracked, fear
cracked Splitting chinese sky open, Chinese sky at
night Exploding trees at night Over rivers and
bridges Fireworks Fireworks. Fear craft.
