

## Married, 2 Kids

The Fall

In 1978  
Was in a hotel in Notting Hill Gate  
Now in 1992  
Staying in a hotel in Notting Hill Gate

Abject

I'm too busy to think  
Too busy to work  
Just can't cut it

Married, 2 kids  
Married, 2 kids

I pretend to go to work  
I pretend to go to work  
Got a porta-fax  
Aftershave like mustard  
Two pints of lager do me in  
And The Spirit of Man  
Is a pub I go in  
I'm married, 2 kids  
Have a peculiar goatish smell  
Am a long-winded article  
I get livid
