The Fall

Is there anybody there?  
Yeah!  
Rock Rock Rock Rock Rock  
Rocky! Rocky!

Step forward for  
ESP medium discord  
My garden is made of stone  
There's a computer center over the road  
I saw a monster on the roof  
Its colors glowed on the roof  
Round the corner  
Is quester psykick dancehall  
Step forward for  
ESP medium discord  
Here they have no records  
They know your questions about no words  
Just bumble stumble to the waves  
Twitching out to the waves  
Clock it! Clock it!  
It's quester psykick dance-hall  
Never bored with  
ESP medium discord  
When I'm dead and gone  
My vibrations will live on  
In vibes on vinyl through the years  
People will dance to my waves  
Rock it! Rock it!  
It's quester psykick dance-hall  
Step aboard for
