

## Rollin' Dany

The Fall

Well, everybody's talking about the working man  
Nobody's talking about Rollin' Dan  
Everybody's talking about the working man  
Nobody's talking about Rollin' Dan  
Rollin' Dany  
He was the rollin' man  
Well, Dan walked into the old dancehall  
Told the women he loved 'em all  
Two six women did a dance and crawl  
And I'm-a telling ya man this cat'd fool 'em all  
Rollin' Dany  
He was the rollin' man  
Go  
And three, four, five six, cats linked up against the wall  
And mothers you dared the girls  
But if you loved ya women and ya loved 'em right  
And I'm-a telling ya man, they were in for a fight  
From a Rollin' Dany  
He was the rollin' man  
Go  
Well, everybody's talking about the working man  
Nobody's talking about Rollin' Dany  
Everybody's talking about the working man  
Nobody's talking about Rollin' Dany  
Rollin' Dany  
He was the rollin' man  
Rollin' Dany  
He was the rollin' man  
Rollin' Dany  
He was the rollin' man  
Rollin' Dany man  
He was the rollin' man
