

## Taking Off

## The Fall

Take off!  
6pm, Bonjela complexion  
Taking off

Stress at four is forbid  
Silence 6pm  
Bonjela completion

To servant  
To servant to stress  
Take it off

Too stressed  
To Simon, to chef  
Ersatz! Ersatz!

Invest, toupee!  
Enter, tidying, tied in!  
Echoed eyeballs  
By skips

Take off

Grating three-fold  
In a furrow  
Lack of paper

Take off

You never told me, Simon  
About the forty carat scum  
At Newquay train station  
Take off at weekends!

Digest, ingest  
Taking, success  
Source, to chef  
Digress, ingest,

Take off

In success, respect  
Digress, before  
Eon, take off  
Stop, take off
