The Fall

I hear you Telephone Thing listening in  
I hear you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?  
Sorry to be so short with you  
But I'm tapped  
But I'm tapped

I hear you Telephone Thing listening in  
I hear you Telephone Thing listening in

The use of and your smug advertisements  
of your tendrill ocean bed achievements does not  
justify your abuse of privacy piracy act

I hear you Telephone Thing listening in  
I feel you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?  
You Gretchen Franklin nosey matron thing

I hear you Telephone Thing listening in  
Sense you

Does the Home Secretary have the barest faintest inkling of what's going down?  
I hear you Telephone Thing listening in  
I hear you Telephone Thing listening in

The use of and your amug advertisements  
Of your tendrill ocean bed achievements does not justify your abuse of privacy piracy act
