

## The Aphid

## The Fall

And who can ever forget this one?

Six times parking  
Six, four  
Form bar and six  
Form a boxline  
The aphid  
The aphid  
Bend down  
Scratch around the carpet for insect  
Get hook clamp  
Stand up  
Gel frame  
Put insect in a jar  
The aphid  
Walk back two, three and four  
Stop for a rest  
Go back to scratch  
The aphid  
Hook clamp  
Go back down  
Scratch around the floor  
Take hook clamp and put in jar  
The aphid  
Cover up with gel frame  
Take two times four o o o one  
UV gun back  
Go back to the floor  
Scratch around  
Five, six supplied  
The aphid  
Bend right back  
Form a boxline, sidecar  
The aphid  
Twenty times steps back  
Frizzo  
Get hook clamp  
Turn to barn door  
Retrieve kill frame

(Absolutely wonderful)

"Take six bottles of the six back, stand up straight, then bend down and scratch the carpet for insects and, if you find any, put the insects into the jar, than check the clamp on the jar and take six steps back. Ensure the hook clamp is on the jar and that's the aphid."
