The mixer is close to me
He turns his head and smiles at me.
And I'm am glad
He earns my salary.

The mixer
In Espanol restaurants
The people and staff they clap
The mixer sweats
In comic type letters the voices are saying
Clap, clap
The mixer sweats
The mixer sweats

The mixer of Jamaican origin Born, raised in the US observes the Victorian [press/prayer] Clap, clap, clap Clap, clap

The DLVDS is over-easy on the compress And the mixer sweats.

[First eqipment line]
[Second equipment line]

The mixer is close to me
He turns his head and smiles at me

'It possessed the sort of bright sound microphone with audio pi $\operatorname{\mathsf{ckup}}$ pattern.

It can produce broad responses, hi-fidelity quality, no feedback and no

howling etc. We can express good sound of your voice, an excell ent

melody orchestra, a self-

contained filter control, explosive breath

sounds, controlled explosive breath sounds wind noises, in

different locations....'

Mixer sweats
