The commerce is over
Peace is the plan
I wonder how long will it last
When Izzy and Bizzy and Boney(?) began
We wondered how long they would last

Chuff had a cough And cold in his snout Letter

Horror Error Error Horror Horror Error Horror Error

Man's prog fanatic Or as Italians say it:

Error Orror Error Orror

Please take our free morons and give us all worship

And with ... Shakespeare...

Horror Error Horror Error

Give them our hybrids
Give us the birds
What they moan on about
The hypocrites could not scare them, son
I will take the Shakespeare
Orror Orror
