

Tuff Life Boogie

The Fall

You let me down again
And then your goth, slag brain says
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!

All you ever say
Is round revival boogie
It's a revival boogie
It's a
It's a small flat baby
Tuff life yeah baby!
Tuff life yeah baby!
All you ever need
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
Tuff life yeah baby!
With the balding man
You went to the Netherlands
And with a pernicious refrain
You return and say the same
Give it to me baby one more time
Give it to me baby one more time
Give it to me baby one more time
Give it to me baby one more time
Give it to me baby one more time
You forever say
Tuff life yeah baby!
Tuff life yeah baby!
