

## Xmas With Simon

### The Fall

Do not fret, rest your head, Jesus had no fear  
Do not fret, rest your head, Xmas time is here  
Castle in the snow, Southern white sign  
No explanation for the lights  
Empires were tumbling, pity the people in the desert  
Jesus did  
Pity the people who had too much dessert  
Jesus  
Big old nice old house  
It's Christmas  
In old English village  
Jesus  
It's that time again  
It's Christmas  
And those films again  
Born in a barn  
Surrounded by animals  
No set amount to the number of diseases  
Died at the age of 33  
Which is as good a time as any  
White outside  
Bowl of light glows  
Slow marks of the humble  
Wrong shall fail and the right prevail  
House of gold  
Castle in the snow
