

Yes, O Yes

The Fall

Yes
Stretch
Stretch
The god you reject
Makes ours the best

Oh! Ye swivel-heads
Burn from ashes
An ordure from this planet
That could not be extinguished
Angelic devil-sun

Good natured barracking
Children cross here
Both day and night
Angelic devil-sun

Yes o yes
(And that's what you get when you join the M. Clark School of
Soccer Coaching School: Enraged and inflamed with torment.)
