

## Face in the Cloud

The Family

Taking a journey  
Expecting to try  
Not certain of things  
Bound to happen  
Just reach out and hold  
The hand of a stranger  
Leading the way to eternity  
Wandering aimlessly  
Exploring new fields  
Enjoying such beauty  
Never experienced  
Mountains before  
Reaching to heaven  
Hiding the face of a  
Girl in the clouds  
Tasting the fruit  
Reaping the profits  
Coming down slowly  
From the height of my dreams  
Collecting my thoughts  
Remembering sadly  
The face of a girl  
In the clouds
