

## Another One

### The Features

Tell me what you want to hear.  
Does it really matter, dear?  
Change my ways to suit your rules.  
That don't seem to comfort you.

What do you expect of me?  
Always been a mystery.  
When nothing's given in return,  
How do you suggest I learn?

This is just another one  
Aimed right at your heart.  
This is just another one  
Bound to miss the mark.

Can't see past the history.  
Happens and it just repeats.  
Always time and time again.  
Now we're back where we began.

So tell me what you want to hear,  
And does it really matter, dear?  
Wish I knew how to get through.  
Lovin' you don't seem to do.

This is just another one  
Aimed right at your heart.  
This is just another one  
Bound to miss the mark.

This is just another one  
Aimed right at your heart.  
This is just another one  
Bound to miss the mark.

This is just another one.  
This is just another one.  
This is just another one.
