

# Wooden Heart

## The Features

I didn't know what I should do  
To help myself get over you  
And mend this heart of mine.  
So I took my axe and walked around  
Until I knew that I had found  
The perfect piece of pine.

Well I took my axe and walked around.  
Sized it up girl and I cut it down.

Ooh girl, you will polish my wooden heart  
Ooh girl, you will polish my wooden heart

Well I cut and sanded with the grain  
I added kosher stain  
and my new heart's looking good  
but one more problem still remains  
I just can't seem to make this thing work  
the way it should  
Well I cut and sanded with the grain  
This heart of mine just ain't the same

Ooh girl, you will polish my wooden heart

When you are mine, this heart will shine  
I set my watch to its perfect time
