

Flood

The Feelers

And I'll fight with you
If you ask me to
I'll kiss you
I will never lose touch
Flood my open
Or otherwise we'll miss out
I'm animal
You devour me
And I can wait
But I don't like waiting
And so I wait
Cause you ask me to

I miss you but I
Will never loose touch
I don't like waiting
And so I wait
I miss you but I
Will never loose touch
You're my kind of girl
You could be
My inspiration still
And you fill it all
But I don't like waiting
But I wait here
Fllod me open
Or otherwise we'll miss out
Flood me open
