

## Deep Fascination

### The Feelies

Got me going around  
Kinda going around  
No, I don't mind waiting  
Never tire of waiting  
Wanting you around  
I want you around

Deep fascination

Find inspiration  
Find inspiration  
When I walk alone  
Never really alone  
Never far away  
Want you every day  
Hey

Deep fascination

Find inspiration
