Doin' It Again

She's doin' it again She don't really mean it Try and understand She don't really mean it She's driving me crazy What's it all about? You know it won't be easy Gotta work it out Gotta work it out

It's like a devil inside Some kinda major disaster Or it's just a state of mind And it really don't matter She's driving me crazy (doin' it again) She's troubled in life (doin' it again) You know it won't be easy (doin' it again) Look behind the lies (doin' it again) Look behind the lies

Doin' it again Oh no

Doin' it again

The Feelies
