

## Later On

The Feelies

Where they are  
Where we are  
When it's dark  
In the park

Later on  
We're gone  
Move on

Stay behind  
Don't even try  
To make me smile  
For a little while

Later on  
We're gone  
Move on

Later on  
We're gone  
Move on
