

On And On

The Feelies

How many times
I heard it before
Do it again
Do it some more
Hey-na-na-na-na-na-na

You want it
You like it
Get ready
You're waiting
All right
Oh yeah
Come on
All right

Buildin' it up
Follow the plan
Tearin' it down
Fast as we can
Hey-na-na-na-na-na-na

You want it
You like it
Get ready
You're waiting
All right
Oh yeah
Come on
All right

On and on
Same old song
On and on
All night long

Hey-na-na-na-na-na-na
You want it
You like it
Get ready
You're waiting
On and on
Same old song
On and on
All night long
