

## Slow Down

The Feelies

Hold on  
Keep on trying  
Keep on trying  
Slow Down  
You can make it  
Try and make it  
It's so hard  
Making promises  
Breaking promises  
It's alright  
It's alright

Got a lot to learn  
Got a ways to go  
When ya gonna learn  
What a way to go

Hold on  
Slow down  
So hard  
Alright

Got a lot to learn  
Got a ways to go  
When ya gonna learn  
What a way to go

Slow down
