

## Two Rooms

The Feelies

Out from the yard  
Out in the dark  
Let it go on  
Let it go on

Become what you are  
Become what you are  
Can't be too hard  
Can't be too hard

The offer is hard  
The right time to start  
Time to go on  
Right from the heart

Become what you are  
Become what you are  
Can't be too hard  
Can't be too hard

Become what you are  
Become what you are  
Can't be too hard  
Can't be too hard
