

# Don't Give Up

## The Feeling

In this proud land we grew up strong  
We were wanted all along  
I was taught to fight, taught to win  
I never knew I could fail  
No fight left or so it seems  
I am a man whose dreams have all deserted  
I've changed my face  
I've changed my name  
But no one wants you when you lose

Don't give up  
You still have friends  
Don't give up  
You're not beaten yet  
Don't give up  
Cos I know you can make it good

Though I saw it all around  
Never thought that I could be affected  
Thought that we'd be last to go  
It is so strange the way things turned  
Drove the night toward my home  
The place that I was born, by the lakeside  
When daylight broke  
I saw the Earth  
The trees had burned down to the ground

Don't give up  
You still have us  
Don't give up  
We don't need much of anything  
Don't give up  
Cos somewhere there's a place we belong

Rest your head  
You worry too much  
It's gonna be alright  
When times get rough  
You can fall back on us  
Don't give up  
Please, don't give up

I moved on to another town  
Tried hard to settle down  
For every job, so many men  
So many men no one needs

Don't give up  
Cos you have friends  
Don't give up  
You're not the only one, no  
Don't give up  
There's no reason to be ashamed  
Don't give up  
We're proud of who you are  
Don't give up  
Cos somewhere there's a place we belong
