

## Rescue

### The Feeling

Will you come to my rescue once again  
Will you search through the wreckage once again  
Will you turn on your flashlight and scan for signs of life again  
in

Wooooo

Will you come to my rescue once again  
Will you send down some water, oxygen  
Will you come to my rescue, come to my rescue once again  
Sometimes I get lonely, sometimes I get lonely, Sometimes I get  
lonely

Noo I never thought that it would be this hard, to find love  
Woooo, I never thought that it would be this hard to find love

Will you come to my rescue once again  
Maybe give me the will to sing again  
Will you come to my rescue, Come to my rescue once again  
Sometimes I get lonely, sometimes I get lonely, sometimes I get  
lonely

Noo I never thought that it would be this hard, to find love  
Ohhh I never thought that it would be this hard, to find love  
Ohhh nanananana

Oh I really messed it up my friend  
Well I hope you can help me, hope you can help me once again  
Woooo I never thought that it would be this hard, to find love  
Wooooo I never thought that it would be this hard, to find love

Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah , Ye  
ah, Yeah, Yeah, Yeah, Yeah,  
To find ..

Come to my rescue once again,  
Come to my rescue once again,  
Come to my rescue once again,  
Come to my rescue once again  
Sometimes I get lonely
