

Safety Dance

The Feeling

We can dance if we want to
We can leave your friends behind
'Cause your friends don't dance and if they don't dance
Well, they're no friends of mine

Say, we can go where we want to
It's a place they'll never find
And we can act like we come from out of this world
Leave the real one far behind
We can dance

We can go when we want to
The night is young and so am I
And we can dress real neat from our hats to our feet
And surprise 'em with a victory cry

Say, we can act if we want to
If we don't nobody will
And you can act real rude and totally removed
And I can act like an imbecile

We can dance, we can dance--Everything out of control
We can dance, we can dance--Doing it from wall to wall
We can dance, we can dance--Everybody look at your hands
We can dance, we can dance--Everybody's takin' a cha-a-a-ance

Dance

We can dance if we want to
We've got all your life and mine
As long as we abuse it, we never gonna lose it
And everything'll work out fine

(Say) We can dance if we want to
We can leave your friends behind
'Cause your friends don't dance and if they don't dance
Well, they're no friends of mine

We can dance, we can dance--Everything out of control
We can dance, we can dance--Doing it from wall to wall
We can dance, we can dance--Everybody look at your hands
We can dance, we can dance--Everybody's taking a cha-a-a-ance
