## **All The Kings Horses**

The Firm

They say our love was Never meant to be That time would make it Just a memory

But they don't know How can they understand We didn't build no Castles in the sand

And all the king's horses All the king's men Couldn't storm this tower Of love, my friend Of love, my friend

They say our life was Just a fairy tale No matter how we try We must surely fail

But where are they now And could they ever understand This ivory tower was built On rock, not sand

And all the king's horses, baby All the king's men Couldn't storm this tower Of love, my friend Of love, my friend

All the king's horses And all the king's men Couldn't storm this tower Of love, my friend, yeah

All the king's horses
Yeah yeah
All the king's men
Couldn't storm this tower
Of love, my friend

All, all, all the king's horses All, all, all the king's men Yeah yeah yeah Of love, my friend
