

## A Letter To Both Sides

The Fixx

It's in my right more than my left  
After you've taken from me  
My freedom of speech or the light through my window  
Just because you can't see

Should be heard by the deaf  
Seen by the blind  
Those who are too frightened to lose, so

This is a letter  
A letter to both sides and  
You're stuck in the middle  
It's a middle with no left or right

What do you feel? How would you say  
To the men that sit at the top?  
That you don't give a damn  
But you still need your land, so

This is a letter  
A letter to both sides and  
You're stuck in the middle  
It's a middle with no left or right

This is a letter  
A letter to both sides and  
You're stuck in the middle  
It's a middle with no left or right

Some don't have time to see man and his wrongs  
Others just expect to lose  
If you don't have the need to take hold of yourself  
How can you expect to choose? So

This is a letter  
A letter to both sides and  
You're stuck in the middle  
It's a middle with no left or right

So this is a letter  
A letter to both sides and  
You're stuck in the middle  
It's a middle with no left or right

So this is a letter
