

# Love Walked In

The Flamingos

Love walked right in and drove the shadows away  
Love walked right in and brought my sunniest day  
One magic moment and my heart seemed to know that love said hel  
lo  
Though not a word was spoken

One look, and I forgot the gloom of the past  
One look and I had found my future at last  
One look and I had found a world completely new  
When love walked in with you

One magic moment and my heart seemed to know that love said hel  
lo  
Though not a word was spoken

One look and I had found a world completely new  
When love walked in with you
