

# Nobody Loves Me Like You

The Flamingos

Like a candle burning bright  
Love is glowing in your eyes.  
A flame to light our way;  
That grows brighter evry day;  
Now I have you;  
Nobody loves me like you do.  
What if I never met you?  
Where would I be right now?  
Funny how life just falls in place somehow.  
You touched my heart in places  
That I never even knew.  
Nobody loves me like you do.

Like a leaf upon the wind,  
I could find no place to land.  
I dreamed the hours away,  
And wondered evry day,  
Do dreams come true?  
Nobody loves me like you do.  
What if I never met you?  
Where would I be right now?  
Funny how life just falls in place somehow.  
You touched my heart in places  
That I never even knew.  
Nobody loves me, Nobody loves me.  
Nobody loves me like you do.  
Nobody loves me like you do.

I was words without a tune,  
I was a song without a tune.  
A poem with no rhyme,  
A dancer out of time;  
But now there's you.  
What if I never met you?  
Where would I be right now?  
Funny how life just falls in place somehow.  
You touched my heart in places  
That I never even knew.  
Nobody loves me, Nobody loves me.  
Nobody loves me like you do.  
Nobody loves me like you do.
