

Give me your time  
I'll give you the message  
Go for a ride, into this brand new world  
Hear me what I say, It's a perfect day  
It's a perfect time, for a partnership in crime  
It's a secret world, come on boys and girls  
are you in or out? far beyond imagination

Buy a one way ticket to salvation, be my humble slave  
Be a faithful servant, be eternal, walk among the brave

Do you believe that I'm the chosen one  
So mystified, almost a son of God  
Be aware of me, is it plain to see?  
Am I false or true? Am I dust out of the blue?  
Turn the world around, lift me off the ground  
I'm the sign of time, singing praise the dollar sign

Buy a one way ticket to salvation, be my humble slave  
Be a faithful servant, be eternal, walk among the brave
