

## Garden Of Dreams: All You Can Save

The Flower Kings

I'll conduct a Circus out of nowhere  
I'll create a Kingdom out of dust  
No matter how clever, I won't stay forever  
A smile, then I'm gone with the wind...

She'll host all the Gardens all of splendour  
Treasure all the diamonds and of gold  
The fruits of their labor, you know know it won't save  
Her  
The day when the ship comes... by,

Bye, it's no use to cry  
You're feeling so sad, but you don't know why  
You're leaving home and you're leaving alone  
To sail the sea of eternity  
All you can save is the love that we made  
When you're lost in the shades again...

We'll taste all the sweetness all of summer  
We'll dream of all flowers, of all spring  
Now seeing ourselves, you know I can't help  
Feeling small when our lives rushing... by

Bye, no sue to cry,  
Feeling so sad, but you don't know why  
You're leaving home, leaving alone  
To sail the sea of eternity  
All you can save is the love that we made
