Rid Of Me

This is real to me And it?s running through my veins Driving you away, away

Getting rid of me I am uttering these words Never to return This isn?t easy for me either

This is the way it will be You?ll find it strange How little you?ll miss me

Here?s to letting go Here?s to letting go Of all that held me down Getting rid of me

Here?s to letting go Here?s to letting go Of all that held me down Getting rid of me

I suppose that I should Get a little deeper with you now It?s kinda like the feeling of watching Everything around you tumble down

But you don?t seem to mind In fact the ashes seem To be too beautiful for words Never to return I need to know you?re with me now

Here?s to letting go Here?s to letting go Of all that held me down Getting rid of me

Here?s to letting go Here?s to letting go Of all that held me down Getting rid of me

So I?m, so I'm, so I'm, so I'm So I?m ready now Get rid of me Get rid of me Get rid of me Get rid of me Get rid of me
