

# Everything We Want To Be

## The Forecast

wake up sweetie we have to work this out the game has  
started and now we must catch up unfaithful friends lets  
burn them down because we don't have that much to count  
on now the whiskey slurs that were purged on our lips  
with the smoke that's clearing maybe we'll start to feel  
it's been a long two years so lets start now
