

## Reverie Is a Tyrant

### The Foreshadowing

Absolve domine animas omnium  
Fidelium defunctorum

Sleep with the nightmare of endless time  
That runs more than you  
And there's nothing to do  
Playing with ghosts coming back home  
Time pressure dictates  
The rules of the games

Oh, my reverie is a tyrant  
A tyrant inside me  
Leads my memories  
And the future is scary like me

Oh, my reverie  
Is a future more scary than me
