

## Cold Flesh Colony

The Forsaken

From the flesh I feed - I am the one  
Through your veins I am complete  
From the flesh I breed - I despise you  
Through your veins I lay my seed  
I am the reaper - the one you curse  
I am the very soul - yours to fear  
I am the reaper - the one to remain  
I am the very soul - your disease  
The colonies' growth is my command  
I was the firstborn - your fate I control  
My existence is your breath - your demise  
I was the firstborn - your fate I control  
I am the cornerstone of this creation  
You know me but you deny me  
I am the foul creature of the soil  
You cannot deny me...  
I am the reaper - the one you curse  
I am the very soul - your disease...  
Confront me - dethrone me?  
I will abase you till the end  
The concubine of your soul  
The restless face inside  
The research of your kind  
The predator of your dreams  
The slave under death  
The one that gain your life  
I...I...I...I...  
I am the reaper - the one you curse  
I am the very soul - the one you fear  
I am the reaper - the one to remain  
I am the very soul - your disease  
The grace I possess is your doom  
Your race is mine to explore  
I see through the eyes of the dead  
I am the reaper - the one you possess  
Confront me - dethrone me?  
Till the end - I will abase you  
Confront me ? I am the immortal  
Your soul - your diseased
