

Freedom Come, Freedom Go

The Fortunes

Freedom come, freedom go
Tell me yes and then she tell me no
Freedom never stay long
Freedom movin' along
Freedom want, freedom stay
Freedom love and then she flies away
Freedom never stay long
Freedom movin' along

Daddy is a doctor, mother is a debutante
Pillars of society
Living in a mansion somewhere in the country
And another Chelsea
Freedom is a rich girl
Daddy's little sweet girl
Pretty as a sunny day
Freedom never does do
What she doesn't want to
Freedom never has to pay

Freedom come, freedom go
Tell me yes and then she tell me no
Freedom never stay long
Freedom movin' along
Freedom want, freedom stay
Freedom love and then she flies away
Freedom never stay long
Freedom movin' along

Freedom is her name and freedom is her nature
Running all around the town
Everybody wants to and everybody tries to
But nobody can hold her down
Freedom is so kind and freedom is so gentle
Freedom is a happy day
Freedom what would you do if I say I love you
Freedom would you run away

Freedom come, freedom go
Tell me yes and then she tell me no
Freedom never stay long
Freedom movin' along
Freedom want, freedom stay
Freedom love and then she flies away
Freedom never stay long
Freedom movin' along

Hey Hey
Da Da Da Da Da Da Da Da Da Da Da
Hey Hey
Da Da Da Da Da Da Da Da Da Da Da

Freedom come, freedom go
Tell me yes and then she tell me no
Freedom never stay long
Freedom movin' along
Freedom want, freedom stay

Freedom love and then she flies away
Freedom never stay long
Freedom movin' along

Da Da Da (Freedom)
