

Here Comes That Rainy Day Feeling Again

The Fortunes

Here comes that rainy day feeling again
And soon my tears they will be falling like rain
It always seems to be a Monday
Left over memories of Sunday always spent with you
Before the clouds appeared and took away my sunshine

Here comes that rainy day feeling again
And I'll be dreaming of you Baby in vain
Your face is always on my mind girl
I hoping soon you're gonna find
Your way back home
'Cause if you say you'll stay
The rainy days will go away

Misty morning eyes
I'm trying to disguise the way I feel
But I just can't hide it
People seem to know
The loneliness will show
I'm thinking of my pride
But breaking up inside

Here comes that rainy day feeling again
And soon my tears they will be falling like rain
It always seems to be a Monday
Left over memories of Sunday always spent with you
Before the clouds appeared and took away my sunshine

Here comes that rainy day feeling again
Here comes that rainy day feeling again
Here comes that rainy day feeling again
