This Golden Ring

The Fortunes

This golden ring is gonna buy me a place in my baby's heart This golden ring is gonna make sure that we never part It's so funny what a ring can do Make a girl just like you Take a ride downtown Searching for a wedding girl So I got a ring from my baby And I think very soon that baby that girl will be mine Gonna have an angel be mine Everything's gonna be fine, so fine This golden ring is all I have to give to you But give me time my love for make your dreams come true I've been a... on my money I've been working hard girl only with you in mind We got somehing more than money We gotta a love that's gonna last It's so funny what a ring can do Make a girl just like you Take a ride downtown Searching for a wedding girl So I got a ring from my baby And I think very soon that baby that girl will be mine Gonna have an angel be mine Everything's gonna be fine, so fine, fine
